Association of REALTOR® Memberships & MLS Premier Agent Network, Inc.

Premier Agent Network, Inc. is a member with the National Association of REALTOR® (NAR), the California Association of REALTOR® (CAR) and many other local REALTOR® associations throughout. Our associates and real estate brokers may become a member with any of these REALTOR boards to receive full REALTOR® member benefits. Our agents also have access to the MLS and many forms in the online real estate dashboard back-office system.

The map pin marks show the location where Premier Agent Network has a membership with a local Association of REALTOR®. A new Premier agent can enroll in any of the local REALTOR boards the real estate broker has an active membership with. Without membership to a local association of REALTORS®, you can't use the REALTOR® designation, obtain a lock box key, list properties or see agent private remarks on the MLS.

If Premier Agent Network is NOT a member with a local Association of REALTORS® in the area where you are located, you can request for the brokerage to become a member. We may ask for a refundable deposit for the new association of REALTOR® membership. The deposit will be refunded after the first transaction the agent makes in the same calendar year. This deposit covers part of the broker's membership costs for the new association of realtors in order to keep the commission splits low.

Premier Team Leaders & Team Member Packages

Build your team and earn residual income

Premier's Team Plan is designed to help you build and grow a successful team. A team leader pays **\$595** (this includes e & o insurance) from their side of the transaction until reaching a maximum of **12 sales**. Team members pay **\$595** (e & o insurance included) from their side of the transaction until reaching a maximum of **6 sales**.

After the brokerage limit is reached, transactions are only \$350, charged only to the team member. The team leader will only pay a **\$350** transaction fee after they reach the brokerage limit if they are the **ONLY** person on the sale. Referrals and leases are a 10% broker fee, and leases and referrals don't count towards the transaction limit. You can have an unlimited number of members on your team.

TEAM LEADER	MEMBER
\$495 transaction fee on the first 12 sales	\$495 transaction fee on the first 6 sales
TIER 2: \$295 transaction fee after 12 sales	TIER 2: \$295 transaction fee after 6 sales reached
No Franchise Fee 90/10% for leases 90/10% for referrals Tech Package required	No Franchise Fee 90/10% split for leases 90/10% split for referrals Tech Package required

\$495 or 10% (whichever is less) Commission Plan Per Transaction Side Plan A is a 100% commission real estate split from the day you join minus a broker transaction flat fee of \$495 or 10% of the gross commission earned (whichever is less) plus \$100 residential errors and omissions insurance fee per transaction per representing side for a sales prices under one million dollars. For any real estate transaction exceeding \$1 million in sales price is considered a non-standard transaction and there is an additional fee of 0.1% for anything over \$1,000,000 in sales price. (For example, Associate-Licensee would pay an additional \$10 for every \$10,000 in sales price over \$1 Million). The best part is, you don't need to reach a CAP to get 100% commission on Plan A.

In order to qualify for the flat broker transaction fee under Plan A, the Associate-Licensee must meet the minimum requirements for Non-Mentee Status as outlined in the Mentor Program below and fulfill the minimum transaction file requirements.

Plan A is a fantastic flat fee commission real estate program for agents because there are no franchise fees, the full technology package is optional, you only pay when you close a transaction and there is a one-time license management fee of \$100 when you first sign up. With this plan, you receive unlimited real estate broker support, and you get your commission check directly from escrow at closing once you have a complete file with all documentation for your transaction uploaded online. There are no minimum sales quotas, no long-term contracts and every plan comes with a real estate back-office system to help manage your clients and your transactions.

No Monthly or Annual Fees

Premier Agent Network does not have any monthly or annual fees for being an associate with the company.

Technology Fee

A technology package is required for Plan A. With Plan A, you can choose between Full Tech and Tech Lite depending on your real estate activity level and digital marketing strategy. Plan D does not require a technology package and can be added on later. See Technology Package for pricing and details.

Initial Activation Fee

Premier charges a \$100 license management fee when signing up. If you are newly licensed, the broker charges a \$100 license sponsorship fee when joining.

Residential & Commercial Transactions

Under **Plan A** agent receives 100% commission minus a flat fee of **\$495 or 10%** (whichever is less) when the sales price is under one million dollars for the first 12 transactions. This adds up to \$7,140.00 annually to the brokerage to reach Tier 2, then pay **\$295** per transaction thereafter.

Plan D is a **90%** commission split and a **10%** brokerage fee. There is no price limit, and a technology package is optional.

Sales Over \$1 Million in Price

For **Plan A**, any real estate transaction over \$1 million in sales price is considered a non-standard transaction and there is an **additional fee of 0.1%** for anything over \$1,000,000 in sales price. (For example, this is equivalent to an additional \$10 for every \$10,000 in sales price over \$1 Million).
